

STADIUM

# TouchBistro Stadium iPad POS System:

The modern way to buy some peanuts and cracker jacks.

Today, stadiums need a new game plan when it comes to their POS solution. Fans don't want to miss a play, and with TouchBistro, they won't have to. The TouchBistro Stadium iPad POS System equips stadium employees to **take seat-side orders**, process

a variety of **payment options and ensure prompt delivery at your concession stands**. TouchBistro is a low cost, POS solution that equips stadiums with the tools to better serve their fans.

Get **smart features** that work

## Pay-at-Seat Solution

With seat-side orders, fans won't miss a second of the game and your bottom line won't skip a beat. Swipe cards seat-side, sign on screen, email receipts. It's a win-win.

## Mobile Menu

Stadium food has evolved beyond peanuts, popcorn, and hot dogs. With stadiums drafting celebrity chefs, the new play in stadium food includes sushi, Kobe beef sliders, hand-made pupusas and a stock of craft beers. TouchBistro's helps fans and your servers stay in the game with informative, visual menus helping fans order and helping your staff upsell to higher ticket food items.

## Sales Numbers Insights

With real-time reports, don't wait until post-game to see what's winning. Understand at-a-glance which food and drink items are crowd-pleasers and which items might need to be benched.

## Cloud Reporting

Get real time insight into your business - anywhere, anytime, across any device. With TouchBistro's Cloud Reporting, you can access beautiful dashboards that will help you visualize your stadium's performance.
